

Finance «Accounting & Financial Planning» approx. 3-5 hours per week

About Zurich UAS Racing

Zurich UAS Racing (ZUR) is a student association with 70 members from over 15 study programs, united by the goal of competing in Formula Student – the world’s largest engineering competition. Each year we design, build, and test an electric and autonomous race car to compete against top universities across Europe, offering students hands-on experience, project skills, and an international career network.

Your Tasks

- In addition to processing payments and the associated accounting tasks, you will have the opportunity to participate in financial planning and help shape structures
- You will work closely with the CFO and assist with accurate bookkeeping
- If you are interested in a specific area of responsibility, please indicate this in your application as it is also possible to focus on other areas of financial accounting

Your Profile

- You are enrolled at ZHAW and are interested in finance – A degree in business administration or similar is helpful, but not essential
- Applications are welcome from the first semester onwards and experience in accounting and financial planning is an advantage
- You have an affinity for numbers, are reliable and can work well independently
- You enjoy participating in association life and are motivated to do more together. An interest in motorsport is a big plus

Benefits

- We offer the opportunity to gain relevant on-the-job experience and apply what you have learned during your studies
- In addition, you can join us on test days, team events and, of course, ultimately the races throughout Europe

Send us an email with your CV and cover letter to info@zurichuasracing.ch and become part of the team!
