About Zurich UAS Racing

Zurich UAS Racing (ZUR) is a student association with 70 members from over 15 study programs, united by the goal of competing in Formula Student – the world's largest engineering competition. Each year we design, build, and test an electric and autonomous race car to compete against top universities across Europe, offering students hands-on experience, project skills, and an international career network.

Your Tasks

- Your main task will be to organise various team, sponsor and race events
- You will be responsible for planning and ensuring the smooth running of scheduled events
- Your assistance will also be needed in the areas of sponsorship and race planning

Your Profile

- You are enrolled at ZHAW and have a talent for organisation, always keeping track of the big picture
- Experience in event management is an advantage but not a requirement
- You are characterised by reliability, ambition, teamwork skills and, equally, independence
- You enjoy association life, are interested in motorsport and are motivated to learn new things

Benefits

- We offer the opportunity to gain relevant on-the-job experience and apply what you have learned during your studies
- In addition, you can join us on test days, team events and, of course, ultimately the races throughout Europe

Send us an email with your CV and cover letter to info@zurichuasracing.ch and become part of the team!
