

Operations «Sponsor Management» approx. 5-7 hours per week

About Zurich UAS Racing

Zurich UAS Racing (ZUR) is a student association with 70 members from over 15 study programs, united by the goal of competing in Formula Student – the world's largest engineering competition. Each year we design, build, and test an electric and autonomous race car to compete against top universities across Europe, offering students hands-on experience, project skills, and an international career network.

Your Tasks

- You will focus on acquiring new sponsors and maintaining relationships with existing sponsors
- You will work with all parts of the team to identify needs and develop strategies to take advantage of particularly interesting sponsorship opportunities
- Sponsorship is a broad field, so you can also specialize in specific areas — just mention it in your application or during the interview

Your Profile

- You are enrolled at ZHAW and interested in building exciting collaborations — while a background in marketing or communications is helpful, it's not required
- Applications are possible from the first semester onwards and experience in corporate relations and marketing is an advantage
- You enjoy interacting with people and have a creative streak, also you work independently and reliably
- You enjoy participating in association life and are motivated to do more together. An interest in motorsport is a big plus

Benefits

- We offer the opportunity to gain relevant on-the-job experience and apply what you have learned during your studies

- In addition, you can join us on test days, team events and, of course, ultimately the races throughout Europe

Send us an email with your CV and cover letter to info@zurichusracing.ch and become part of the team!
