

Operations «Communications» approx. 4-6 hours per week

About Zurich UAS Racing

Zurich UAS Racing (ZUR) is a student association with 80 members from over 22 study programs, united by the goal of competing in Formula Student – the world's largest engineering competition. Each year we design, build, and test an electric and autonomous race car to compete against top universities across Europe, offering students hands-on experience, project skills, and an international career network.

Your Tasks

- Your main task will be to further develop and implement an integrated communication concept
- You will be responsible for professional communication tailored to specific target groups, both within and outside the association, and will work closely with other sub-teams to achieve this
- Depending on your interests, your assistance will be needed in various areas: social media, internal and external communication, media relations, marketing or concept development

Your Profile

- You are enrolled at ZHAW and are currently studying media and communication – other courses of study are also possible
- Experience in the field of communication is an advantage, but not a prerequisite
- You are characterised by reliability, ambition, teamwork skills and independence, as well as a keen sense of language
- You enjoy association life, are interested in motorsport and are motivated to learn new things

Benefits

- We offer the opportunity to gain relevant on-the-job experience and apply what you have learned during your studies

- In addition, you can join us on test days, team events and, of course, ultimately the races throughout Europe
