About Zurich UAS Racing

Zurich UAS Racing (ZUR) is a student association with 80 members from over 22 study programs, united by the goal of competing in Formula Student – the world's largest engineering competition. Each year we design, build, and test an electric and autonomous race car to compete against top universities across Europe, offering students hands-on experience, project skills, and an international career network.

Your Tasks

- Your main task will be to design and produce a wide variety of print media and digital content
- You will be responsible for the further development and implementation of a corporate design
- You will help design the livery for this year's racing car
- Your assistance will be needed primarily in the areas of social media, marketing and communication

Your Profile

- You are enrolled at ZHAW, enjoy design and are keen to experiment
- Previous experience in mediamatics, graphics, printing or another creative profession is an advantage
- You are characterised by reliability, ambition, teamwork skills and, equally, independence and creativity
- You enjoy association life, are interested in motorsport and are motivated to learn new things

Benefits

- We offer the opportunity to gain relevant on-the-job experience and apply what you have learned during your studies

- In addition, you can join us on test days, team events and, of course, ultimately the races throughout Europe
