

## Operations «Event Management» approx. 4-6 hours per week

### About Zurich UAS Racing

Zurich UAS Racing (ZUR) is a student association with 80 members from over 22 study programs, united by the goal of competing in Formula Student – the world's largest engineering competition. Each year we design, build, and test an electric and autonomous race car to compete against top universities across Europe, offering students hands-on experience, project skills, and an international career network.

#### Your Tasks

- Your main task will be to organise various team, partner and race events
- You will be responsible for planning and ensuring the smooth running of scheduled events
- Your assistance will also be needed in the areas of partnership and race planning

#### Your Profile

- You are enrolled at ZHAW and have a talent for organisation, always keeping track of the big picture
- Experience in event management is an advantage but not a requirement
- You are characterised by reliability, ambition, teamwork skills and, equally, independence
- You enjoy association life, are interested in motorsport and are motivated to learn new things

#### Benefits

- We offer the opportunity to gain relevant on-the-job experience and apply what you have learned during your studies
- In addition, you can join us on test days, team events and, of course, ultimately the races throughout Europe
