About Zurich UAS Racing

Zurich UAS Racing (ZUR) is a student association with 80 members from over 22 study programs, united by the goal of competing in Formula Student – the world's largest engineering competition. Each year we design, build, and test an electric and autonomous race car to compete against top universities across Europe, offering students hands-on experience, project skills, and an international career network.

Your Tasks

- Your main task will be photo and video production as well as media post-production
- You will be responsible for post-production and making the material available in the appropriate format
- You will be responsible for the professional presentation of the association's activities
- Your assistance will be needed primarily in the areas of social media, event management, communication/marketing and partnership

Your Profile

- You are enrolled at ZHAW and have both a professional camera and suitable editing and processing programmes
- Experience in media production is required
- You are characterised by reliability, ambition, teamwork skills and, equally, independence and creativity
- You enjoy association life, are interested in motorsport and are motivated to learn new things

Benefits

- We offer the opportunity to gain relevant on-the-job experience and apply what you have learned during your studies

- In addition, you can join us on test days, team events and, of course, ultimately the races throughout Europe
