About Zurich UAS Racing

Zurich UAS Racing (ZUR) is a student association with 80 members from over 22 study programs, united by the goal of competing in Formula Student – the world's largest engineering competition. Each year we design, build, and test an electric and autonomous race car to compete against top universities across Europe, offering students hands-on experience, project skills, and an international career network.

Your Tasks

- Your main task will be to manage and optimise the website
- You will be responsible for designing and updating the website

Your Profile

- You are enrolled at ZHAW and are currently studying computer science or business informatics – other courses of study are also possible
- Experience in website design, WordPress and Elementor
- You are characterised by reliability, ambition, teamwork skills and, equally, independence
- You enjoy association life, are interested in motorsport and are motivated to learn new things

Benefits

- We offer the opportunity to gain relevant on-the-job experience and apply what you have learned during your studies
- In addition, you can join us on test days, team events and, of course, ultimately the races throughout Europe

Apply via zurichuasracing.ch/offene-stellen/ and become part of the team!
