# Operations “Web Frontend/Backend Development”

Approx. 3-5 hours per week

**About Zurich UAS Racing**

Zurich UAS Racing (ZUR) is an association with over 80 members and the ambitious goal of taking part in the world’s largest engineering competition: Formula Student. Within one year we plan, design, build, and test a race car in order to compete from July to August at international races against the world’s largest universities and universities of applied sciences. The team consists of students from more than 22 degree programs.

---

**Your profile:**

- You are enrolled at ZHAW and are currently studying computer science or business informatics – other courses of study are also possible
- Experience in website design, WordPress and Elementor
- You are characterised by reliability, ambition, teamwork skills and, equally, independence
- You enjoy association life, are interested in motorsport and are motivated to learn new things

**Your Tasks**

- Your main task will be to manage and optimise the website
- You will be responsible for designing and updating the website

---

**Benefits**

- We offer the opportunity to gain relevant on-the-job experience and apply what you have learned during your studies
- In addition, you can join us on test days, team events and, of course, ultimately the races throughout Europe
- After a season with lots of ambition and goals reached, we credit your work with a written reference and a LinkedIn badge

---

**Apply now!**

Send us an email with your CV and cover letter to **info@zurichuasracing.ch** or apply via the online form on the website.
